

Dive deeper into your Sage solution this summer.

Register now for 20% off training.\*

You already own great business software—but are you truly taking advantage of all it has to offer? Make a splash with your productivity this summer by enrolling in courses on Sage University, now available at a special 20% discount.

### Principles of Fixed Assets

Rules governing depreciation over the years have evolved and become more complex. Most of this is the work of the Internal Revenue Service (IRS) as it has defined and refined the tax regulations and reporting requirements.
